Welcome

We focus on manufacturing and exporting garden and decorative pottery. Our Tunisian handmade products are inspired by age-old tradition and usage. We strive to offer you modern quality claycrafts that will delight your home or garden. From clay pots to lamp holder. Discover our unique pottery.

We offer you almost the best price offer. We will be happy to meet you either at our pottery fair in which we participate or by submitting a quote via our website www.poteriespg.com. Also follow us on Social Media to share with us our passion, knowledge and love of our craft.
